Arrest for Embezzlement and Failure to Provide

Benjamin H. Harms. Age, about 41 years; height, about 5 feet, 11 inches; weight, about 200 lbs., looks heavier. Dark complexion, smooth shaven. Large, brown eyes; large face. Dresses well. Usually has good position as fruit buyer or foreman or superintendent in some company. He worked for the Earl Fruit Company as manager in an outside district. He has traveled for a harness firm.

He may belong to the Masonic order; at least he wrote to a party here last fall and stated he was taking one of the degrees in the order. He may hang around the Y. M. C. A. When in Portland he wrote a number of letters back here, and they were on Y. M. C. A. stationery, but the officers seemed unable to locate him there. About a month ago he came through Sacramento and went on to San Francisco, and later left a forwarding address as Los Angeles.

He embezzled a large amount of money while employed by the Earl Fruit Company, and I hold warrant for embezzlement, also a warrant for failure to provide for his minor children.

Arrest and wire me at my expense, and I will send for him anywhere in the United States.

Dear Sir

I have been informed by a party this morning that about 4 weeks ago, there was a man in your Town with his wife who represented himself to be an agent for the St Anthony Messenger and took some subscription for same. This man and his wife are rank fakirs, and we have been looking for some time for him but have not been able to locate him. He done the same sort of work, in Los Angeles, Stockton, and a couple of Towns in Portland Oregon.

I am the Pacific Coast Manager for the St Anthony Messenger, and I am very anxious to get this couple. So I am sending you a photo of this fellow and his right name, and I hope it will help you to locate him, and if you do, kindly telegraph to me at my expense and I will take care of the matter. It would be a good idea to telegraph to the other Towns in your locality and perhaps you may be able to get them. Hoping you will be successful in your search, I remain

Dear Sir

I have been informed by a party this morning that about 4 weeks ago, there was a man in your Town with his wife who represented himself to be an agent for the St Anthony Messenger and took some subscription for same. This man and his wife are rank fakirs, and we have been looking for some time for him but have not been able to locate him. He does the same sort of work, in Los Angeles, Stockton, and a couple of towns in Portland Oregon.

I am the Pacific Coast Manager for the St Anthony Messenger, and I am very anxious to get this couple. So I am sending you a photo of this fellow and his right name, and I hope it will help you to locate him, and if you do, kindly telegraph to me at my expense and I will take care of the matter. It would be a good idea to telegraph to the other towns in your locality and perhaps you may be able to get them. Hoping you will be successful in your search. I am

Bulletin No. 232

April 1, 1921

Series 1920-1921

(THIS BULLETIN SHOULD BE INSERTED IN C. B. A. BINDER FOR REFERENCE)

A FAST WORKER

DEFRAUDS THREE SAN FRANCISCO BANKS IN ONE DAY

To the Bank Addressed:

When a crook has the nerve to call at your bank, introduces himself as being an officer of your correspondent bank in another city, tells you that he is on a few days vacation, discusses banking generally, asks you to cash a check on his bank, asks you for a blank for such use, then draws the check before your eyes and signs it with a signature that checks up with your files—we consider him *dangerous*.

IMPERSONATES BANK OFFICERS

Thursday, March 30, such a man called on at least four San Francisco banks and scored three direct hits, netting him altogether over \$1000. He falsely represented himself to be the following individuals:
C. H. Randall, Asst. Branch Manager, Hellman Commercial Trust & Savings Bank, Riverside.
W. J. Moriarty, Asst. Cashier, Commercial National Bank, Los Angeles.
A. M. Sargent, Asst. Cashier, First National Bank, Redlands.
G. H. Wynkoop, Asst. Cashier, First National Bank, Pasadena.

It is believed from reports received that this crook has some knowledge of the banking business and has practiced and can write offhand signatures of various bank officials.

DESCRIPTION

Exhibit this warning to all officers of your institution, ask them to remember method of operating and the following description:

Age: About 40.
Height: 5 ft. 10 in.
Weight: 160 to 170 lbs.
Hair: Blonde—Sandy.
Complexion: Florid.

Eyes: Blue.
Build: Medium.
Round face.
Wears a blue serge suit.
A black derby hat.

REWARD

This man is likely to use the name of any officer of any bank. Look out for him. The California Bankers Association will pay a reward of \$25 for arrest and conviction of this man for defrauding a member of this Association.

If located arrest and notify the undersigned or Burns Detective Agency, either San Francisco or Los Angeles.

Series 1920-1921

(THIS BULLETIN SHOULD BE INSERTED IN C. B. A. BINDER FOR REFERENCE)

A FAST WORKER
DEFRAUDS THREE SAN FRANCISCO BANKS IN ONE DAY

To the Bank Addressed:

When a crook has the nerve to call at your bank, introduces himself as being an officer of your correspondent bank in another city, tells you that he is on a few days vacation, discusses banking generally, asks you to cash a check on his bank, asks you for a blank for such use, then draws the check before your eyes and signs it with a signature that checks up with your files—we consider him *dangerous*.

IMPERSONATES BANK OFFICERS

Thursday, March 30, such a man called on at least four San Francisco banks and scored three direct hits, netting him altogether over \$1000. He falsely represented himself to be the following individuals:
C. H. Randall, Asst. Branch Manager, Hellman Commercial Trust & Savings Bank, Riverside.
W. J. Moriarty, Asst. Cashier, Commercial National Bank, Los Angeles.
A. M. Sargent, Asst. Cashier, First National Bank, Redlands.
G. H. Wynkoop, Asst. Cashier, First National Bank, Pasadena.

It is believed from reports received that this crook has some knowledge of the banking business and has practiced and can write offhand signatures of various bank officials.

DESCRIPTION

Exhibit this warning to all officers of your institution, ask them to remember method of operating and the following description:

Age: About 40
Height: 5 ft. 10 in.
Weight: 160 to 170 lbs.
Hair: Blonde—Sandy.
Complexion: Florid.
Eyes: Blue
Build: Medium.
Round face.
Wears a blue serge suit.
A black derby hat.

If located arrest and notify the undersigned or Burns Detective Agency, either San Francisco or Los Angeles.

ROBBERY

On April 23d about 2 A. M. the General Merchandise Store of Komiya, a Japanese, at Mt. Eden, was entered by three men, each carrying a revolver.

They went to his bedroom, awakened both Komiya and his wife and at the point of a revolver ordered him into his office and commanded him to open his safe.

They took from the safe the following:

\$50.00 Liberty Bond - 4th issue
One ladies gold wrist watch
One Ladies hunting case gold watch
One Ladies gold brooch (3 white stones)
One Ladies gold necklace chain in a heart shape
One plain wedding ring
One diamond ring
One gent's tie pin
About \$60.00 or \$70.00 in cash

They also took from the store a 16 gauge shotgun, old and a little rusty.

These men apparently were familiar with the movements of these Japanese. They went directly to his bedroom; cut all wires leading to the store; ransacked the bedrooms, turning up the bed covers and mattresses. Went into the office and ransacked all the drawers; took what little money there was in the till. Each man had a flash light. Instructed the Jap not to turn on any light. Each man had a nickel plated revolver.

These men all wore overcoats and dark fedora hats. All were masked.

Early that evening about 10 A. M. three men entered a store and questioned the Jap as to the way to Niles; how many hotels were in Niles, also Alvarado. One of these men was heavy set and light complexion, wearing an overcoat and a fedora hat similar to the one worn by the robbers and one was of slight build, also wearing an overcoat.

The store was entered about 2 A. M. and the report was made to this office about 7.30 A.M. Investigation made by Deputies Soares, Brown and Collier.

Shortly after the robbery, a touring car went by this store in the direction of Alvarado. It looks as though these men were San Francisco men traveling via San Jose.

Geo W Lyle,

\$300 REWARD

Knoxville, Tenn., March 14, 1921.

A REWARD OF \$300 has been offered for the apprehension of E. R. Bates alias Roscoe Bates, formerly of Knoxville, Tennessee, who is now a fugitive from justice, having been convicted in the Federal Courts for the Eastern

District of Tennessee, in two cases---one for operating an illicit distillery, and one for transporting whiskey---in the first of which he is under sentence to serve a year and a day in the Atlanta Penitentiary, and in the second to serve four months in the Knoxville jail. He has forfeited two bonds and the above reward is offered by his bondsmen, who have placed \$300 in the hands of the United States Marshal at Knoxville, Tennessee, to be paid to any one arresting the said Bates and holding him in custody for delivery to the United States Marshal for this District, or to any one who may give information which will lead to said arrest under such circumstances that the arresting officer will not be entitled to claim the reward. A picture of the said Bates appears at the top hereof.

Description of E. R. (alias Roscoe) Bates

Age about 38 years, height about 5 feet 8 inches, weighs 185 to 195 pounds, has broad shoulders, heavy set body, shoulders being slightly stooped. Is usually clean shaven, but can grow a heavy black mustach and beard. Is fairly good looking. Has jet black hair and small steel-gray eyes. Is quick spoken. Has large broad mouth and large stub nose, being coarse featured. Usually wears his hat pulled down over his eyes. Is a meat-cutter by trade, having formerly operated a meat stall in the Market House at Knoxville, Tennessee, is an expert chauffeur and will probably be found employed either as a chauffeur or meat-cutter. At one time he worked as a laborer in a flour mill in Knoxville. While at Knoxville he engaged in both the transportation and manufacture of liquor and wherever found will probably be engaged in that business. He left Knoxville about December 21st, 1920, and is reported to be accompanied by a woman about thirty years of age, who was formerly known as Mrs. Wells, and if together these parties will no doubt be representing themselves as man and wife.

Any officer or citizen apprehending Bates is requested to immediately communicate that fact by wire to the undersigned and an officer will be sent to receive him into Federal custody, at which time the said reward will be paid. If arrested outside the Eastern District of Tennessee, the United States Marshal of the District where the arrest is made should also be notified.

San Francisco, April 22, 1921.

On Sunday, April 10, 1921 the factory of The American Barium Company at SouthnSan Francisco was burglarized and electric motors to the value of approximately \$3,000.00 were stolen. The following is a list of the motors stolen: (Local address - 57 Post Street, Sutter 4272)

- | | | | | |
|---|----|-----------------------------|---|---|
| 1 | 7½ | H.P. Westinghouse Motor | } | 440 Volt,
3 phase,

| 1 | 3 | H.P. Allis Chalmers " | | |
| 1 | 1½ | H.P. Westinghouse " | | |
| 1 | 1 | H.P. Westinghouse " | | |

While the individual numbers of the several motors are unknown, the following information may be of use in identifying them, to-wit:

The end castings on two 7½ H.P. motors, one a Westing house and one a General Electric, were removed and left behind by the thieves. Before these two motors can be used duplicate castings will have to be secured from one of the electrical manufacturing companies or dealers.

This Department would appreciate your action in distributing these circulars amongst those employes of your company likely, in their regular routine work of installing, either power connections or motors, to run across some trace of this stolen property listed above.

Likewise, if anyone should apply (or has since April 10th, 1921 already applied) for end castings for motors of the 7½ H.P. type referred to above, this Department would appreciate immediate notification.

Very respectfully,

Dear Sir:-

Within the past ten days, there have been several cases of Cigarettes stolen between Redwood City and San Francisco, while in transit over our lines, Cigarettes being of the following brands: LUCKY STRIKES, CAMELS, 111'S; also stolen was a box of Sand Paper and a case of Stationery.

Please have a bright lookout kept for any persons offering these brands of Cigarettes for sale, and any person found offering them for sale, would ask that they be apprehended, and, if unable to give a satisfactory explanation as to where they obtained the cigarettes, wish you would immediately notify me.

Thanking you for past favors, I am

Yours very truly,

ing Boat "PRIMROSE," which mysteriously disappeared from the San Pedro Harbor (Los Angeles County, California,) about November, 1919, supposedly in the possession of one "E. McINTOSH," or some one in his employ. Our information at hand leads us to believe that the boat went to San Diego from here, in charge of a pilot hired for the trip only, McIntosh driving down in a Chevrolet 4-90 touring car, accompanied by his Wife and Boy (now about 13 years old), named Earl.

The Boat is of the regular JAPANESE STYLE, LOW STERN for fishing purposes, and is described as follows:

Length 43 feet.
Beam 10 feet 5 inches.
Built during the war (2-11-1916).
Equipped with a 3 cyl. 35 h. p.
Imperial Gas Engine No. 1072.

NOTE—This engine number is on a brass plate fastened to the block with screws, and therefore easily removed.

Fenders around the stern are covered for 16 feet with flat brass, 3-16 by 1 1-4 inches.

The cabin is 21 inches above the deck aft and 19 inches forward. There is a Drop Hatch Forward. Bunks in Cabin. There is a small Pilot House built over the aft end of the Cabin with 3 sliding windows in the front and 2 drop windows on each side with a sliding door in the back. There are two 300-gallon gas tanks, one on each side. There is a hinged mast, which lays over the cabin. This boat was previously operated under the name of "K M. Kii Kawa," and during the war was assigned the number "A456" by the Government, which can probably still be read even though painted out.

\$2,000⁰⁰ Reward

Knoxville, Tenn., June 1, 1921.

A reward of \$2,000 has been offered for the arrest and delivery at Knoxville of Maude Moore, alias Maude Wright, alias Billie Hunter, formerly of Knoxville, Tennessee, now under indictment in the criminal court of Knox county, Tennessee, charged with murder in the first degree for killing LeRoy D. Harth, a Knoxville automobile dealer, September 8th, 1919, on a highway in said county, for the alleged purpose of robbery, the killing having occurred in the night time. She has once been tried and convicted of murder in the first degree, receiving a sentence of twenty-one years in the penitentiary, but a new trial was thereafter granted her. When her case was called for trial on July 27th, 1920, she failed to appear. A forfeiture was taken on her bond of \$10,000 against R. E. Boring and Edward McNew, of Knoxville, Tennessee, sureties thereon. The reward of \$2,000 above referred to is offered by her bondsmen, who are solvent. She left Knoxville between July 15th and July 20th, 1920, and has since been a fugitive. The picture of Maud Moore appearing herewith was taken in 1919.

Description Of Maude Moore

Maude Moore, alias Maudine Moore, alias Maude Wright, alias Billie Hunter, age about 29 years; dark brown hair; pale, piercing, brownish gray eyes; weight about 120 pounds; height 5 feet 4 inches to 5 feet 6 inches; slender face; swarthy complexion; slender figure; fairly good looking; talks in a very positive manner, voice being clear, fairly loud for a woman of her size; is high tempered and excitable.

By profession she claims to be a stenographer, but is usually found in the company of men of dissolute habits. She has a surgical abdominal scar, resulting from an operation performed in March, 1920.

Usually wears a broad-brimmed hat. She may be found wearing a half-karat blood ruby ring. Was born and reared in Knoxville, Tennessee, and may likely be receiving mail post-marked at Knoxville, Tenn.; Louisville, Ky.; Jeffersonville, Ind.; New Albany, Ind.; Indian Harbor, Ind.; East Chicago, Ind., and Tocoma, Washington.

Information in hand leads to belief she may have changed the color of her hair to that of an auburn shade or a light blond; and that she may now have a gold crowned front tooth. If employed in any legitimate business, will probably be as stenographer, clerk, ticket seller or waitress.

Any officer or citizen apprehending Maude Moore is requested to immediately communicate that fact by wire to the undersigned, and on her delivery at Knoxville the above reward will be paid.

It is believed probable that she will be found traveling or associating with some man.

ED. M. HAYNES, Chief Of Police,
KNOXVILLE, TENNESSEE.

(THIS BULLETIN SHOULD BE INSERTED IN C. B. A. BINDER FOR REFERENCE)

YOU ARE AGAIN WARNED

C. B. A. No. 1425—Worthless Checks; Charles King, Alias George Seiboldt, Etc. Has Used 22 Other Assumed Names. The Name Does Not Count. He May Use Any Name.

This check swindler is still active in California and is meeting with success. We have record of cases in which he has swindled nine members out of amounts aggregating \$5,555. We don't want to add your bank to the list. You are warned to guard carefully against him. He is working the old game of opening an account, keeping it active for a short time, depositing a worthless draft on an eastern bank, then successfully drawing against the draft prior to returns. *Caution your new account man. See that your tellers read this circular and familiarize themselves with the writing and description.* Remember that King has never failed and is dangerous.

Refer to our Warning Circular No. 231 and to the April issue of the California Bankers Association Bulletin, page 109. It is up to you to protect yourself and aid in the capture of this crook.

King is drawing drafts on Kentucky and Mississippi banks. He also has in his possession check forms of California banks, principally of Pasadena and Long Beach.

King is described as thirty years; five feet six inches; 160 pounds; stocky build; fair complexion; regular features; round face; blue eyes; Irish type; smooth talker; always smiling; reported as having a peculiar voice; is also reported to have black hair, but it may be dyed. *He may use any name.*

He makes a practice of becoming familiar with the teller handling his account, talks a good deal about business and labor condition, and keeps his account active. He gave his business as cabinetmaker in his latest operations.

A reward of \$50 will be paid by the California Bankers Association for the arrest and conviction of this man for defrauding a member of this Association.

Should he appear at your bank have him arrested and notify at once the undersigned or the nearest office of the Burns International Detective Agency, Los Angeles or San Francisco.

MURDER

Between the hours of midnight, June 8th, 1921, and 4:00 a. m. June 9th, 1921, WILLIAM STEELE and CLARA J. STEELE, his wife, were MURDERED at their home on Base Line Road two and one-half miles north of La Verne, Los Angeles County, California.

The undersigned, father of Mrs. Steele, hereby offers a reward of \$2,000.00 to be paid as follows:

\$1,000.00 will be paid for information resulting in the arrest and conviction of the person or persons responsible for the crime.

\$1,000.00 will be paid for the arrest and conviction of the person or persons responsible for the crime.

Mr. and Mrs. Steele were known to have returned to their home at midnight June 8th, 1921, in good health and spirits. At 4:00 a. m., June 9th, 1921, neighbors discovered the house to be on fire. The flames were burning from a stair landing midway between the first and second floors of the building and thence upward through the roof. Immediately after discovery of the fire the whole house, with the exception of the upper stairs and second floor landing and hall (which portions were aflame) was searched without finding either Mr. or Mrs. Steele. Strong odors of kerosene and kerosene smoke were noted in the house. A rug in a down stair room used as office and den was saved and found to be spotted with kerosene. When the outer building walls had fallen away an observer on a nearby house-top saw the bodies burning on the upper stair landing at the head of the stairs, at the point where the hottest part of the fire was when first discovered. The bodies were later recovered from the ruins at a point immediately below the upper stair landing.

Plaster on the wall of a chimney at a place adjoining where the bodies were seen burning on the second floor landing was found after the fire to be coated with lamp black and to have been soaked with kerosene.

The furniture and private papers in the lower part of the house were undisturbed. Valuables—both sterling silver table ware and personal jewelry were untouched.

The covers on the bed in an upper rear sleeping room, ordinarily occupied by Mr. and Mrs. Steele, were found disarranged when the house was searched immediately following discovery of the fire. Part of the metal fastenings, keys, etc., usually worn or carried by the parties were found under the sleeping room; others were found near the bodies.

All information should be communicated to any peace officer and to either Malcolm McLaren, Tajo Building, Los Angeles, California, or to the undersigned,

D. C. CROOKSHANK,
322 E. Holt Avenue,
Pomona, California.

WARNING!

LOOK OUT FOR THESE CHECK SWINDLERS!

To Bank Members and Police Authorities Addressed:

DANGER!

C. B. A. No. 1425—Worthless checks; Charles King, alias Anson Tradd, Cantral Wentworth, James Madison, Fred Botts, George Sieboldt, etc.

This swindler is successfully defrauding banks. Look out for him. He may visit you. He may have an account with you now. He has worked the following game in Southern California. Opened up a small savings account and kept it active for a while, making himself agreeable with the teller. He deposited a large check on an Eastern bank and then drew \$480 against it. He works a number of banks at the same time. The drafts he used were on Kentucky banks and on a bank in Gulfport, Mississippi. He probably has with him now check forms of Kentucky banks, Mississippi banks, Los Angeles and Pasadena banks. He is very clever and plausible. He worked the same game in Kentucky. He has been very successful and undoubtedly will keep busy.

Charles King is described as 30 years old; 5 ft. 6 in., 160 lbs.; stocky build; fair complexion; blue eyes, blonde, Irish type; smooth talker, always smiling; wearing blue suit and soft hat.

Should this man visit your institution cause his arrest. Notify by telephone or telegraph the undersigned or the Burns International Detective Agency, either at Los Angeles or San Francisco.

C. B. A. No. 1412—Forgeries, \$225, \$175, \$125; John Doucas

Watch out for this man. He makes a business of swindling banks through forgery. He should be getting short of funds by now and may visit you.

A Greek, known around San Francisco as John Doucas, but with various aliases, is wanted at Hay-

ward, California, where there is a John Doe warrant for his arrest.

Doucas obtained a position as waiter with a fellow Greek conducting a restaurant in Hayward, stayed with him just long enough to find out about his bank account, steal several check forms, forge his employer's name to three checks, making them payable to Nick Callas, Geo. Marinos and Louis Bouras. He presented the checks to the bank and as the forgery was cleverly done, the bank honored them.

Different Greeks who have been interviewed in our efforts to locate Doucas say that he has been working this swindle for at least two years, and that he has been in Vancouver, Seattle, Portland and Denver.

John Doucas is described as 30 years; 5 ft. 9 in.; 165 lbs.; black hair; dark eyes; dark complexion; smooth shaven; Greek; wore ring with dark red stone on left hand; waiter.

Should this man visit your institution arrest and hold. Notify by telephone or telegraph the undersigned or the Burns International Detective Agency, either at Los Angeles or San Francisco.

A reward of \$25 will be paid by the California Bankers Association for arrest and conviction of John Doucas within one year from date for defrauding a member of this Association.

C. B. A. No. 1395—Forged Endorsement; Leonidas D. Vassos.

Members of the California Bankers Association are warned to be on their guard against cashing checks for Leonidas D. Vassos, alias Jas. Smith, Wm. Ferres, D. YOU ARE AGAIN WARNED

C. B. A. No. 1425—Worthless Checks; Charles King, Alias George Seiboldt, Etc. Has Used 22 Other Assumed Names. The Name Does Not Count. He May Use Any Name.

This check swindler is still active in California and is meeting with success. We have record of cases in which he has swindled nine members out of amounts aggregating \$5,555. We don't want to add your bank to the list. You are warned to guard carefully against him. He is working the old game of opening an account, keeping it active for a short time, depositing a worthless draft on an eastern bank, then successfully drawing against the draft prior to returns. *Caution your new account man. See that your tellers read this circular* and familiarize themselves with the writing and description. Remember that King has never failed and is dangerous.

Refer to our Warning Circular No. 231 and to the April issue of the California Bankers Association Bulletin, page 109. It is up to you to protect yourself and aid in the capture of this crook.

King is drawing drafts on Kentucky and Mississippi banks. He also has in his possession check forms of California banks, principally of Pasadena and Long Beach.

King is described as thirty years; five feet six inches; 160 pounds; stocky build; fair complexion; regular features; round face; blue eyes; Irish type; smooth talker; always smiling; reported as having a peculiar voice; is also reported to have black hair, but it may be dyed. *He may use any name.*

He makes a practice of becoming familiar with the teller handling his account, talks a good deal about business and labor condition, and keeps his account active. He gave his business as cabinetmaker in his latest operations.

A reward of \$50 will be paid by the California Bankers Association for the arrest and conviction of this man for defrauding a member of this Association.

Should he appear at your bank have him arrested and notify at once the undersigned or the nearest office of the Burns International Detective Agency, Los Angeles or San Francisco.

On February 12 he was in Los Angeles, where he passed a \$200 worthless check on a merchant. Vassos is reputed to be a successful worthless check operator and forger. Dear Sir:

e: 1425 - Worthless checks; Charles King, etc.

We have reports from the Los Angeles office of the Burns Agency that you are endeavoring to locate C. Lyons for whom you hold warrant.

The police officials of Long Beach are of the opinion that Lyons may be Charles King, and we enclose our circulars Nos. 231 and 241 for your information. Every effort is being made at that end to establish the identity of King, and we will appreciate it if you will let us have any information that you may have regarding Lyons, especially as to the time he was in San Jose, description, method of operation, etc. King operated in Pasadena in March, opening the various accounts about the first and cleaning up about the fifteenth. He then apparently went direct to Long Beach, opening up three accounts with the proceeds of his swindle at Pasadena. June 5 he cleaned up and disappeared. Prior to coming to Pasadena he operated in Louisville, Kentucky.

Any information that you will give us will be appreciated.

Yours very truly,

We are holding a felony warrant for C. E. Williams, alias C. W. Williams, described as follows:-

Age	30
Height	5 ft. 7 inches
Weight	145 lbs.
Hair	dark brown
Eyes	blue
American	
Wearing	Straw hat, dark coat and dark pants

A few days ago, Williams put an ad in the local papers, advertising a Ford Car for sale. A party here answered the ad and bought the car from him, paying \$ 125.00 down and the balance was to be paid at \$ 35.00 a month. Williams delivered the car to the party, leaving it in front of their house. Later he returned and drove off with the car, without the knowledge of the owner. The contract which was given to the purchaser contains " Engine number 2,368,407 ". We do not know whether this is the correct number as the owner did not verify same. Neither do we know the License number, but we secured information that he is supposed to have used one of the following Utah State 1921 License numbers:-
19,473 - 17,493 - 27,493 - 29,473. The right front door is sprung and has a tear on the inside lining.

Williams left Salt Lake City on August the 3rd for parts unknown, and it is our belief that he probably will again advertise the car for sale in some other city. Will you kindly keep a look out for him, and if located, please arrest and hold, and notify us at our expense.

Thanking you in advance for the efforts made by your department, I am,

Respectfully yours,

JACK LEE

Age 36. Height 5ft. 10½ in. Weight 160 lbs. Hair Medium Brown. Eyes Yellowish slate.

Left Hand } Nail on left index finger split.
Scar Horse Shoe shape third joint middle finger.

Right leg crooked at knee, causing him to walk with a noticeable limp. This is the main mark of identification. Officers should bear this in mind and take notice of every stranger seen in their respective counties. You can see the bow in this leg and notice the limp at any reasonable distance. This man is tanned, and face looks red. Think beard is sandy. Left here wearing brown Fedora Hat, Blue Flannel Shirt, Blue Bib Overalls and Tan Army Shoes. Was carrying a 40-82 Winchester rifle.

Lee committed a cold blooded murder by shooting his old time friend and companion, Tom McCullum, near Elk Mountain, in this county. Immediately after the murder Lee started east over the mountains and so far we have had no trace of him. He smokes and drinks and is a ranch hand by occupation. Will associate with booze peddlers, gamblers and moonshiners.

Officers should take no chances in making the arrest of this man, for he will no doubt be armed. Lee had some money and will probably change his clothing. Watch all pawn shops for 40-82 Rifle as he will try to sell or trade for revolver and don't forget to investigate every man you see having a crooked right leg at knee, or just below. The leg bends outward. The above Reward will be paid for arrest.

TO ALL OFFICERS

Many officers are failing to promptly report to the Identification Bureau the disposition of cases they investigate or prosecute, and many seem to be of the opinion that it is only required of them to report the final disposition of the case after trial in the Superior Court, which may be delayed for months. All officers are directed to immediately report to the Identification Bureau, on the date of the occurrence, the release of a person who has been arrested, but against whom no complaint was filed, or, the date he was held to answer in the Justices court, and must later report the final disposition of the case in the Superior Court, giving verdict, term of sentence, etc., as required by our Police Form No. 113. THIS ORDER MUST BE STRICTLY OBEYED.

COMMENDATION

On the afternoon of August 26, Officer E. H. Kidson succeeded in stopping a runaway team of horses, which was going south on San Pedro Street at a high rate of speed, endangering the lives of persons on the street, especially a number of children who were playing near by. On this occasion Officer Kidson ran into the street and grabbed the frightened horses by the bits and brought them to a stop, after several men, who happened to be nearer than the officer, had tried to stop them but failed to do so.

I take pleasure in commending Officer Kidson for this act, which displayed bravery and appreciation of his responsibilities.

State of California
MOTOR VEHICLE DEPARTMENT
Los Angeles Branch

Charles A. Jones,
Chief of Police,
Los Angeles, California.

My Dear Chief:

Confirming the conversation held with you recently, I desire to call your attention to the fact that a number of your officers who are now engaged in checking violations of the Motor Vehicle Act are under the impression that a person who carries a chauffeur's card should also have an operator's permit.

This is entirely in error as the Department has never issued an operator's permit to persons who are licensed chauffeurs, and I wish you would make this matter clear in order that there may be no difference of opinion.

I desire to sincerely thank you for the co-operation of your officers and trust that at some future date the department will be able to reciprocate.

Very truly yours,

DEPARTMENT OF FINANCE
DIVISION OF MOTOR VEHICLES

L. W. BUTLER,
Manager, Los Angeles Division.

COPY

Richmond, California, August 28, 1921.

To the Chiefs of Police:

Activities of a publication which calls itself the Western Railway Journal towards discrediting the AMERICAN RAILWAY JOURNAL took the form of fictitious circular letters which have been scattered broadcast on the Pacific Coast. These letters took so vicious a tone and became so annoying to the publishers of the AMERICAN RAILWAY JOURNAL that a conference was held of a number of officials of the Railroad Brotherhoods. As a result of that conference the announcement is made that the publication which calls itself the Western Railway Journal is solely the scheme of a printer to exploit the public at the expense of the bona fide railroad men of the country. That the Western Railway Journal, as it is known, is in fact owned, controlled and operated by men who are not qualified nor authorized to voice the views, policies or platform of the railroad brotherhoods.

Further, this office is in possession of documentary proof that the Western Railway Journal, as it is called, has employed questionable tactics in handling advertising contracts entrusted to it in the Western territory.

This letter is written at the instance of officials of the Railroad Brotherhoods who are keenly desirous that the public may not be duped by men or methods which will result in a discreditable reflection upon the bona fide railroad brotherhoods of the country.

COPY

Richmond, California, August 28, 1921.

To the Chiefs of Police:

Activities of a publication which calls itself the Western Railway Journal towards discrediting the AMERICAN RAILWAY JOURNAL took the form of fictitious circular letters which have been scattered broadcast on the Pacific Coast. These letters took so vicious a tone and became so annoying to the publishers of the AMERICAN RAILWAY JOURNAL that a conference was held of a number of officials of the Railroad Brotherhoods. As a result of that conference the announcement is made that the publication which calls itself the Western Railway Journal is solely the scheme of a printer to exploit the public at the expense of the bona fide railroad men of the country. That the Western Railway Journal, as it is known, is in fact owned, controlled and operated by men who are not qualified nor authorized to voice the views, policies or platform of the railroad brotherhoods.

Further, this office is in possession of documentary proof that the Western Railway Journal, as it is called, has employed questionable tactics in handling advertising contracts entrusted to it in the Western territory.

This letter is written at the instance of officials of the Railroad Brotherhoods who are keenly desirous that the public may not be duped by men or methods which will result in a discreditable reflection upon the bona fide railroad brotherhoods of the country.

ROBBERY

On Friday evening, Sept. 9th, about 8.30 P.M. the Daisy Farm Inn near Hayward, this County, was held up by what is known as the "Stocking Bandits". All wore masks and used automatic guns. They robbed the Proprietor and patrons, taking considerable money but no jewelry.

I am certain that one of the bandits was shot by an Officer using a 12 gauge gun and number 6 bird shot. In making his getaway, this bandit dropped his mask and cap - the mask showing evidence of having been pierced by bird shot.

I have information that these men drove to the Inn in an old gray Pierce Arrow touring car. Their appearance and mode of operation is the same as that of the men who recently held up Sullivan's Cafe at El Cerrito; 6 Bells near the County Line in Contra Costa County; Al Moore's Cafe in Albany and the Stag Cafe on San Pablo Avenue near Oakland.

I would ask that you get in communication with all Hospitals in your City and should any report be made by a physician as to the treatment for gun shot wounds, investigate carefully and report to me at my expense.

Permission is hereby given to The Spanish-American Society to parade on the City streets, September 15, 1921, in celebration of the Independ-

ence of Mexico, with bands, automobiles, etc.

Officers are hereby instructed to bear this in mind and abate the nuisance.

Burglar-Forger Escaped \$25 REWARD FOR ARREST

Ervin S. Rendall, alias Albert P. Morton, alias Zephis Saunder, alias Richard Morris Preston, alias Walter M. Duncan, A. M. Sargent, etc., Berkeley No. 67013, Los Angeles No. 19098, while in charge of an officer of the Berkeley Police Department, escaped during the afternoon of September 14, 1921, at Sacramento.

Rendall, under various aliases, cashed in Berkeley and Sacramento checks totaling over \$2800. He is an audacious crook. His method is to burglarize homes at night between 7 and 10 p. m., by forcing windows with screwdriver or entering kitchen door with pass key; steal firearms and jewelry and also check book and pass book and canceled vouchers if possible. He forges the name of person whose home he has entered, either as drawer or endorser of the check he presents, and makes the amount from \$300 to \$2800. The checks are cashed direct at a bank. The checks are usually endorsed with two or more signatures; that of the payee first, a forged endorsement second, and that of the payee last.

Rendall was arrested September 12 while attempting to cash a \$2800 forged check in Berkeley, and while in custody confessed to having committed nineteen burglaries and having written and uttered a number of forged items. He was taken to Sacramento to point out some residences that he had burglarized so as to enable the officers to clear up the cases, and while there escaped.

You are respectfully requested to be on the lookout for a swindler, whose correct name is Frank Marshall Edwards, and whose description is as follows:

Age - - - 28 years
Height - - - 6'
Weight - 155 to 160 lbs
Build - - Slender
Complexion - Dark
Eyes, brown; large and staring
Hair - brown, combed back

Smooth shaven. Heavy extremely arched eye brows; gold teeth, short in front, gold crowns in rear; large scar in palm of right hand causing him to cramp it slightly; two scars on head covered by his hair; nervous, quick walker, steps a little shorter with one foot than the other, always wears brown English last shoes.

This man may file telegrams addressed to leading business houses and prominent manufacturing concerns, asking transfer of various sums of money, usually telegraphs for sums ranging from \$100.00 to \$175.00, using the name of the firm's representative, asks waive identification. Also may ask money be sent to a nearby city. He identifies himself with a card or letter addressed in care of a leading hotel from the representative's firm. This he obtains from the representative fraudently.

He may represent himself as a salesman for one of the largest Cereal manufacturing concerns in the United States, approach a retail grocer or merchant who handles cereal goods, ask the merchant or grocer if he has any of the package goods in bad condition; if so, he offers to reimburse the grocer, giving him a sight draft on the company putting out that particular product; usually the sight drafts are for \$10.00, \$20.00, and sometimes as high as \$100.00. The merchants usually do not question the transaction, and give Edwards the amount of the draft, less the amount of the damaged goods.

Edwards is reported to be traveling in a Scripps Booth Roadster, Engine No 4507, Serial No C 3630, Michigan License No. 410272, accompanied by a young woman named Bernice Hansen, described as follows:-

OCTOBER 31, 1921

BURGLARY

The store of W. H. HUPERS, on First Street, Livermore, was entered Saturday evening, after 9:45 P. M., and the following taken:

- 100 suits of clothes, assorted sizes—serges and worsted.
- 22 mackinaws—dark patterns.
- 1 moleskin wool collar, black lined tan coat, size 44, lot No. 4222.
- 2 wallets—one black and one tan.
- 1 pair dark tan Bostonian shoes, size 7, Lot No. 26193.
- 1 pair dark tan Bostonian shoes, size 10, Lot No. 51692, rubber heels.
- 1 pair dark tan Bostonian shoes, size 7, Lot No. 26088.
- 2 light caps and 1 light gray hat—hat size 7 $\frac{1}{8}$ —Fratilli Valinoti brand, with green silk lining—the name of Helving Hat Company on inside of band—Lot No. 4887.
- 1 dozen Band Teck ties, assorted colors.

These clothes are all Rico Rochester brand—name sewed on red label.

It looks as though three men operated, and the man wearing gray hat left green hat, size 7 $\frac{1}{8}$, and the other two men may be wearing the gray caps. The shoes described above might be worn by these three men.

These men entered the store by boring a hole through the rear door with an extension bit and lifting the bar. There is no question but that these men had a large touring car or truck.

Watch all second-hand stores and pawnshops, and wire any information at my expense.

FRANK BARNET,
SHERIFF.

WANTED FOR VIOLATION OF SECTION 476-A of Penal Code. E. Morgan, alias Roy Gossett. Age 28, looks younger. Height about 5 feet, 11 inches; blue eyes; fair complexion; weight about 170-175 pounds. Last seen wearing a mixed suit; light felt hat; is a neat dresser and makes a good appearance. Intelligent, energetic and capable. Is a good auto mechanic and chauffeur, can drive and repair. Claims to have been employed by the Ruth Roland Studios as a chauffeur and well acquainted with people connected with the Movie World. A party who was present when he greeted William Russell on the streets of Hollywood in conversation Gossett called Russell by the name of "Jack," showing that at some time he must have been connected or thrown in with "movie folks," as Russell also inquired as to him where he had been. Gossett was picked up in Lordsburg, Ariz., by a party traveling in a machine who gave him a ride to Hollywood, on arriving in Hollywood he directed him to the BEST GARAGE in town, also where Gossett seemed to be well known as several of the employees came to greet him and to ask questions of him where he had been, etc., and they called him by the name of "Roy." The man that picked him up in Lordsburg, Ariz., then brought him to Hollister where he fed him and gave him a home for three weeks, Gossett leaving and going back to Los Angeles. A few days later he drove through Hollister calling on this man who had befriended him and had him identify him at a Local Tire Sales Co., where he purchased a tube and gave a check on THE FIRST NATIONAL BANK OF HOLLYWOOD in payment of same, also another one for CASH, then he gave a check to the man who befriended him in payment of his three-week board bill. At this time he was driving an AMERICAN UNDERSLUNG CAR, top down, very old car and carried a 34x4 tire, which is rather an odd size. This is a very aggravated case and I ask the co-operation of all brother officers in the apprehension of this man. Undoubtedly he has left a string of checks behind him. The above cut is a very good specimen of his hand writing, etc. Notify all garages and tire sales places to be on the watch out for him as he will soon need more money and tires. If apprehended, arrest, hold and wire my expense and I will send officer with proper papers for his return. I hold FELIX CABRAL for his return.

I have some information which might implicate some Gypsies who were traveling through the country, with a large Packard touring car and a Dodge touring car, and a foreign license number. These parties might try to dispose of this property in your town. I would appreciate any effort you can make to locate the stolen property. Arrest anyone found in possession or trying to dispose of same and wire me at my expense. I hold John Doe warrant in each case for burglary.

\$25.00 REWARD

Wanted for Desertion of Wife and Family

OLAF C. HANSON

The above cut is a good likeness of one Olaf C. Hanson for whom I am holding a bench warrant charging the crime of wife desertion and for whose arrest the County Commissioners of Watonwan County, Minnesota, offer a reward of \$25.00. Hanson may now be going under an assumed name. He is described as follows: age 30 years, height 5 ft. 10 or 11 inches, weight 150 to 160 pounds, light hair, blue eyes, light complexion, stands erect, is raw boned and quite coarse featured, has quite prominent cheek bones with small growth on one cheek, may also have scars on one of his arms caused from boils. Hanson is an automobile mechanic by trade and may be employed in some garage or machine shop. He also understands farming, is said to be very fond of gambling, is a cigarette and pipe smoker and I am inclined to believe he would take a drink if he got the chance. He is of Swedish descent.

Hanson left this county on or above the first day of September, 1920, in an old Ford automobile. I understand that he later sold the automobile at Cedar Rapids, Iowa, and I am told that at the time he left here it was his intention to take in the southern fairs, at which places he was figuring on running either some sort of paddle wheel game or else a hamburger stand. We later learned that for a short time during the summer of 1921 he was working as a plasterer at Toppenish, Wash., going from there to Sunnyside, Wash., both in Yakima county.

It was expected that Hanson would return to his family so no steps were taken to locate him until early in February, 1921, when criminal warrant was placed in my hands. Hanson was later indicted by the grand jury of this county and the bench warrant above referred to was issued on May 5th, 1921.

I am appealing to every officer and in fact to every law abiding citizen who sees this circular, to do their best to aid me in landing this man Hanson, who has left a good wife and 5 small children to fight it out alone.

Brother officers, please make inquiry at all garages and machine shops and get this man for me if possible. Bear in mind that men of Hanson's type are a menace to any community and the more of them that can be made to answer for their crimes, the less liable others are to commit similar crimes. I want this man badly and I assure you that your co-operation will be very much appreciated. If Hanson is located, arrest and hold him and wire me at my expense and an officer with the necessary papers will be sent for him.

WARNING!

Check Swindlers Now Active in This State

To the Member Addressed:

Read again our Circular No. 241 of June 21, 1921, re Charles King with numerous aliases. He is still in this State, and again recently operated. It took him three months to set the stage for this last "trick." He may now have an account at your bank. Check carefully your savings accounts. Caution your tellers, and instruct them not to permit withdrawal against a savings account without first being sure that checks deposited to its credit have been collected. Insist on this.

Re: 1642—Worthless Checks; Chas. B. Curtis, Al. D. Mason.
E. L. Jones and Mason C. Bart

Above are some of the names this man has used in working his check swindle. He opens up an account by depositing from \$20 to \$120 cash; next deposits a worthless check and then tries to draw against it.

In one instance he deposited \$120 in cash then put in a worthless check for \$280. At 11:00 o'clock he withdrew \$110. At noon when the teller who cashed the \$110 item had gone to luncheon Curtis went to the bank and put through another check for the same amount.

This swindler is described as twenty-two years of age; five feet six inches; 130 pounds; light complexion; light hair; blue (also described as green) eyes; southern accent. In last operation wore diamond ring on left hand. Watch for him. He is a slick one and is working in this State.

Re: 1649—C. E. Phillips; Worthless Checks

A bank at Anaheim wires stating that C. E. Phillips is wanted there for cashing worthless checks. Phillips is described as twenty-seven years; good dresser; brown hair; brown eyes; 155 pounds; salesman; formerly worked for Southern California Automobile Club.

Re: 1627—Forgeries; E. A. Morris

While working in Los Angeles, Morris is said to have forged the signature of his employer to several checks. He is also a worthless check operator. Morris is described as twenty-three years old; five feet nine and a half inches; 150 pounds; dark brown eyes; black hair; slight southern accent; tip of nose

cut off, leaving round blue scar. Claims to have served overseas with First Division and to have been gassed. He is an escape from Utah State Prison. Is wanted in Los Angeles for forgery.

Worthless Coupons; Chicago, Rock Island & Pacific Railroad Company

We quote letter from a member which is self-explanatory:

"On December 5 a stranger called on us and presented a coupon of the Chicago, Rock Island & Pacific Railroad Company for \$20, the coupon being due November, 1921. He signed an ownership certificate under the name of Harvey C. Gates and we gave him the \$20. We are informed that the Chicago, Rock Island & Pacific Railroad is a defunct institution, though we did not distinguish between this and the Chicago, Rock Island & Pacific Railway.

Should any of the above mentioned swindlers appear at your bank, have them detained by your local authorities and wire the Association at once.

A San Mateo County member writes as follows:

"We understand that one Theo. M. S. Anderson, purporting to be collecting for advertisements in behalf of the "Methodist Church Directory," has defrauded a number of our depositors from whom he obtained checks in payment of such advertising which he cashed as they were given to him. We are not in a position to give a detailed description of this individual, nevertheless, we thought it might be well to notify the Association in order to have members warned of the operations of this swindler."
